ABOUT

Our Approach:

Our main stay at SanFreight Logistics Pvt. Ltd is to provide quality service to our clients. We dwell in the quality conscious culture. Our processes are audited for the quality benchmarks we set for business operations. This leads to identifying areas of improvement and training our personnel to excel in the areas identified.

Our Belief:

"Excellence is not an exception, it is a prevailing attitude."

Our firm belief to achieve excellence is through regular improvements. We constantly channelize our efforts to locate and identify areas of improvement through quality audits. Such audits serve to identify and assess the performance of warehouses and also identify training needs.

Flexibility Approach:

Whether it is a small package or a large container, we can deliver. And even when the shipment needs to be delivered urgently, you can count on us. San freight develops flexible, yet measurable strategies that capture key insights across industry analysis, customer needs, and competitive positions.

Accuracy:

With a vast and efficient network as well as an enormous IT infrastructure supporting the same, you will never have to worry about delays or inventory mismanagement.
